Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Bible was meant to be understood. It was written in the languages of the common man. The New Testament wasn't written in the language of the scholar, but the language of man in the street. So why are the unfulfilled prophecies so hard to understand? They were written to the people living over 2,000 years ago. The prophecies were written in their language and refers to their customs and objects with which they were familiar. So how can we understand the prophecies? Well, you would be amazed how clear things become with the help of a little archeology and a little understanding of their culture.
