Austin Macauley Publishers, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Sometimes you need to be truly lost before being found. A young woman recalls the time before a horrendous car crash. But is her memory all as it seems? Banishing herself to a remote and harsh landscape, she replays events in a vicious cycle, without reaching clarity or a sense of peace. In time, a shadowy presence from her recent past appears, forcing her to evaluate her actions, her family and her desire to live. Will or can she survive long enough to face the consequences? Abigail Miller s first novel is a tension-packed dystopian look at life and how chance has the final say. Reminiscent of I Never Promised You a Rose Garden with a touch of Mad Max, Miller s tale evokes a sensory whirlwind, with an ending that will leave the readers gasping.
