Xulon Press, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I m An NDE . Are You An NDE? will appeal to those who are curious about near-death experiences and the impact these experiences have on personal spiritual growth. The book is a testimony comprising three parts. Part I vividly describes the author s journey through the tunnel and into the light and includes his stunned reaction upon discovering that he was face to face with Jesus Christ. Part II reflects upon seeing and being in the light and includes a fascination with timelessness as being an integral part of the spiritual world. Part III places into words the impact these experiences have had upon the author s life as building blocks in growing spiritually over the years. This book will appeal to Christians who welcome testimony from others as a blessing from God.
