SMALL SPACES (PAPERBACK)

Beta-Plus, Belgium, 2009. Paperback. Condition: New. Language: English . Brand New Book. The Home series is devoted to interior design and decoration, and presented in a handy format. Leading architects and interior specialists provide inspirational and unique designs that are packed with impressive ideas for your own home. Ingenious, modular, multi-functional, tailor-made: these are the key words that crop up most often when people talk about small living areas. Creating a sense of space in smaller properties can be a real challenge. All of the projects in this book have one thing in common: you quickly forget their limited dimensions. In fact, they often appear to be very spacious. It all comes down to the skill of the designer. This book presents sixteen projects featuring many useful, space-saving tips from inspirational designers and interior architects. Their ideas are ingenious, but often very simple, and can transform a compact space into a pleasant and comfortable place to live.
