Reviews

A top quality publication along with the typeface utilized was intriguing to read through. It is amongst the most awesome pdf i have got read through. Its been developed in an remarkably straightforward way and it is only right after i finished reading this publication in which actually altered me, modify the way i believe.

VOGUE ON: VIVIENNE WESTWOOD (HARDBACK)

[DOWNLOAD](#)

Quadrille Publishing Ltd, United Kingdom, 2018. Hardback. Condition: New. Language: English . Brand New Book. A provocateur, radical thinker and instigator of the most important sartorial statements of the twentieth and twenty-first centuries, Vivienne Westwood is a fearless nonconformist with a relentless passion for tradition. From the mini crini, the liberty corset and the rocking-horse shoe to the stunning, sumptuous wedding dress worn by Sarah Jessica Parker in *Sex and the City* and Dita Von Teese's infamous purple wedding dress, Westwood has unleashed her imagination on the world for almost 40 years. Her Pirate and Edwardian looks were worldwide fashion trends, and her revolutionary designs include the co-creation of the punk style, the introduction of street style into high fashion, the reworking of the crinoline, the restyling of Harris tweed and the reintroduction of platforms and the hourglass figure. She has been described by Anna Wintour as an unbelievable influence and by Alexander McQueen as the Coco Chanel of our day . Vogue, the international fashion bible, has charted the careers of designers through the decades. Its unique archive of photographs, taken by the leading photographers of the day from Cecil Beaton to Mario Testino, and original illustrations, together with its stable of highly respected fashion writers, make Vogue the most authoritative and prestigious source of reference on fashion. With a circulation of over 160,000 and a readership of over 1,400,000, no brand is better positioned to present a library on the great fashion designers of the modern age.
