A TERRORIST AWARENESS AND PREPAREDNESS GUIDE AND JOURNAL

DOWNLOAD

Lulu.com, United States, 2003. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a pro-active guide to help the average person survive a Terrorist Attack via a Biological, Chemical or Dirty (Nuclear Waste) Bomb. Almost all training to date since 9-11 has been done in a re-active manner. There isn't much being done to pre-condition the average citizen for the next major disaster and with millions of radical American haters, there will be another terrorist attack on American citizens we just don't know when or where. This document contains visual effects and a worst-case-scenario plot. Look at this document like a fire drill. One of those things you don't like doing, but needs to be done to stay sharp. This manual has ample space and places for you to log and organize all of the important facts and data you should need.
