Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Children s Books for First Purchase: Recommended by the Wisconsin Free Library Commission The Suggestive List of Children s Books for a Small Library, compiled by Miss Helen T. Kennedy and published by the Wisconsin Library Commission in 1910, is out of print. This new list of Children s Books for First Purchase has been prepared for librarians of small libraries, and for parents and teachers. It contains a large part of the Suggestive List of 1910, and follows that in general form and character. The introduction to that list is reprinted here, as it explains the purpose and use of the list. Titles out of print or out of date have been omitted or replaced, and new titles and editions, changed editions and prices have been included. The main list contains 680 titles. Of these, 200 are starred for first purchase. 132 new titles have been added to the list of 1910, and Books for Reference Use and Books for Youngest Readers are now included in the main list. The annotations contain many new titles. Attention is called to these and to the enlarged supplementary lists, especially Books for Mothers and Teachers, and to the new lists, Aids in Book selection and Aids in Story-telling. Books of interest to Boy scouts and Camp-fire Girls are included in the lists Camping and Outdoor Life and Camping Stories. Acknowledgments. Recent lists compiled by various libraries and library commissions have been helpful in preparing this list, especially the A. L. A. Booklist, A. L. A. Catalog 1904-1911, Brooklyn Public Library lists, Utica Public Library list of Books for Home Reading, New York Best Books, and the List...
