

Carp Fishing Bait: Large Print

By Marian Blake

Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you a Carp Fisherman and want to create your own bait? If you fish for carp, then you fish for the most common species of fish in the world. The species is not native to Europe, North America or Australia as it originated in Asia and found its way around the world by migration or by introduction by man. In many countries, they are considered to be vermin and if caught should be killed and in other countries, they are part of the counties diet. In The Complete Angler, Walton said The Carp is the queen of rivers; a stately, a good, and a very subtle fish; that was not at first bred, nor hath been long in England, but is now naturalized. In fact carp was spread through Europe first by the Romans and then by monks who kept them to eat on NO Meat Fridays. The carp has been successful in spreading to new territories due to its ability to tolerate a wide range of conditions: freshwater or the brackish waters of some...
