IN THE DEN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are demons in this world. Real demons. If you doubt this, read the Bible, read the Book of Enoch, read the Quran. Demon lore is a part of every religion and culture in the world, and the tales of these evil spirits have been told since the beginning of time. Make no mistake, they are among us, every day, and their power is unquestionable. Demons possess people in subtle but destructive ways, leading them down paths that continually get darker. They influence events and manipulate freewill. In the Den is the story of one man s fight against the demon kin who haunt this world, drawn from his own experience, written in his own words. It is a harrowing account steeped in truth, a truth we no longer wish to acknowledge because of the terrifying nature of it.
