

My Toaster's Grandfather: A Simple Look at Lean Operations from a Toaster's Point of View - One Slice at a Time (Paperback)

By MR Ronald L Buckley, Mrs Lucinda a Buckley

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Authors Ronald and Lucinda Buckley have written a unique book in that the story is told by the product being manufactured - a toaster. This is a short book that could easily be read during a coast-to-coast plane ride. They use the toaster and his Grandfather to show how using the latest management techniques can convert a poor-performing money-losing business with low quality into a very profitable efficient business with the highest quality output. This makes these concepts, which tend to be unnecessarily complicated, easier to understand by all. The book's intended audience is virtually anybody involved in the process of making anything. The book should be read by not only management, but direct labor employees as well. The story is about a toaster that is created in the same factory that his Grandfather was created in. Contrasts are made between how the Grandfather and Grandson were created and adopted into their current home. For a time they sit side-by-side on the same counter and share stories of how they were built - Grandfather's coils are twice...
