Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Neuware - L'Amour dans les sociétés occidentales vs. l'Amour dans les sociétés de l'Afrique australe (amour individualiste vs. amour communautaire). Dans les sociétés individualistes occidentales, l'amour individualisé est une nécessité d'autant plus impérative qu'il est presque l'unique moyen de satisfaire le désir fondamental inhérent à l'existence humaine : le désir de reconnaissance et de confirmation de sa valeur. Dans les sociétés où prédomine une certaine forme de fraternité communautaire (ubuntu), comme dans les sociétés traditionnelles bantoues de l'Afrique australe, l'amour individualisé est moins impératif dans la mesure où le désir de reconnaissance inhérent à la vie humaine est satisfait à travers l'amour général et constant que les individus donnent et reçoivent, à chaque instant, de leurs semblables et par un processus de rites socioreligieux spécifiques et périodiques ; la confirmation de sa valeur est conférée par la société toute entière, y compris par les dieux. En effet, ubuntu est un concept bantou, popularisé en Occident par Nelson Mandela et sa politique de réconciliation nationale postapartheid, et qui peut être assimilé au concept de fraternité universelle. 92 pp. Französisch.
