

## Pathologies de Retour D Un Voyage A L Etranger Chez L Enfant (Paperback)

By moniza jhummun

Univ Europeenne, United States, 2010. Paperback. Condition: New. Language: French . Brand New Book. L importance des voyages rend indispensable la prevention avant le depart et le diagnostic precoce au retour. Notre etude porte sur 2 zones geographiques principales: l Afrique Noire et le Maghreb; avec des voyageurs constitues en grande majorite d immigrants retournant au pays. Dans ces zones, on retrouve des pathologies cosmopolites frequentes mais 2 pathologies sont recurrentes: le paludisme et les diarrhees. Il s agit de pathologies connues et evitables mais qui presentent encore - 20 ans apres la mise en uvre de moyens de prevention efficaces - une morbidite importante. Par ailleurs, notre etude analyse l emergence d une autre pathologie evitable: l hepatite A, touchant souvent les enfants et responsable de formes symptomatiques a l age adulte. Aussi presente-t-elle un cout financier (hospitalisations des enfants) et social (arrets maladie des adultes). L etude confirme les tendances passees: manque d informations de la population, population difficile, c est-a-dire peu compliant et peu receptive a l information; medecins debordes ne pouvant se consacrer a une bonne politique de prevention.

### Reviews

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

-- **Dr. Marvin Deckow**

*A top quality ebook and also the font employed was interesting to read. This is for those who state there was not a worth studying. Your life span will probably be enhanced when you total looking at this ebook.*

-- **Billy Christiansen**
