## WILD TONGUES: TRANSNATIONAL MEXICAN POPULAR CULTURE

DOWNLOAD PDF

University of Texas Press, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Tracing the configuration of the slapstick, destitute Peladita/Peladito and the Pachuca/Pachuco (depicted in flashy zoot suits) from 1928 to 2004, *Wild Tongues* is an ambitious, extensive examination of social order in Mexican and Chicana/o cultural productions in literature, theater, film, music, and performance art. From the use of the Peladita and the Peladito as stock characters who criticized various aspects of the Mexican government in the 1920s and 1930s to contemporary performance art by María Elena Gaitan and Dan Guerrero, which yields a feminist and queer-studies interpretation, Rita Urquijo-Ruiz emphasizes the transnational capitalism at play in these comic voices. Her study encompasses both sides of the border, including the use of the Pachuca and the Pachuco as anti-establishment, marginal figures in the United States. The result is a historically grounded, interdisciplinary approach that reimagines the limitations of nation-centered thinking and reading. Beginning with Daniel Venegas's 1928 novel, *Las aventuras de don Chipote o Cuando los pericos mamen*, Rita Urquijo-Ruiz's *Wild Tongues* demonstrates early uses of the Peladito to call attention to the brutal physical demands placed on the undocumented Mexican laborer. It explores Teatro de Carpa (tent theater) in-depth as well, bringing to light the experience of Mexican Peladita Amelia Wilhelmy, whose *La Willy* was famous for portraying a cross-dressing male soldier who criticizes the failed Revolution. In numerous other explorations such as these, the political, economic, and social power of creativity continually takes center stage.
