## Where Have All the Guernseys Gone? (Paperback)

By MR Duane E Young

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Where Have All the Guernseys Gone? is a compassionate and nostalgic chronicle written by a third-generation Guernsey farmer and advocate celebrating the origin of the Guernsey, its profound influence in the United States in the 20th century, and developments leading to its status today. Far-sighted entrepreneurs created the American Guernsey Cattle Club, enabling H. D. Griswold and A. J. Phillips, two innovative and productive pioneers, to establish a county Guernsey Association that would later claim status as the Guernsey sales capital of America. The biographies of those two inspiring men and those of W. D. Hoard, early Guernsey enthusiast and creator of the dairyman's bible Hoard's Dairyman, and J. C. Penney, Guernsey promoter and owner of the world famous Foremost Guernsey herd, are vividly brought to life through interviews, extensive use of rare archival documents and period newspaper accounts. At a time before electricity and the internal combustion engine, and when the family cow was replaced by dairy animals capable of producing large amounts of milk, these four pioneers were among the leaders creating today's dairy industry....
