Reviews

It is one of my personal favorite pdf. Of course, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from Proceedings of the Fourth Annual Convention of the Eastern Ontario Good Roads Association: Held in Victoria Hall, Brockville, Ont., June 28-29, 1905 Six years ago not a township had commuted statute labor. Through the efforts of the Good Roads Association Goulbourne Township. In Carleton County, was led to adopt this system. In Carleton County alone over half the townships have followed the example set by Goulbourne, and all report that they were delighted with the change. The construction of nine sample stretches of stone road in the various counties Of Eastern Ontario, which our Association undertook several years ago, had a very beneficial effect. Some of these stretches of road. I understand. Have not lasted as well as some expected they would, but this has been largely due to the fact that the municipalities in which they were made had not the appliances for repairing roads properly as soon as they began to show wear, and consequently they have not been as durable as they would have been had they received proper attention at the right time. These stretches of road had the effect of showing thousands of people who have traveled over them that we have out lived the statute labor system of road building, and that if we are to have good roads they must be constructed by modern machinery. One of the greatest evidences of the progress that is being made towards the construction of stone roads has been afforded by the County of Lanark, which last year expended several thousand dollars for the construction of a leading system of county macadamized roads, and which purposes expending in this work. There is every reason...
