Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. International best-Selling Author Dianne McPherson has always been intrigued with the mysteries of the human makeup and what it takes to get to the deep core of who we really are as women that are seeking a life of fullness in every area of our lives. Being a woman who has walked totally by faith, blind to the unlimited possibilities of who she is and all that has inspired her to become, it was through prayer and self-reflection that she wanted to embark on an area of exposing who women are beyond the surface stuff! The readers can expect transformation and to empower others in this anthology, of amazing stories from contributing authors. Unmasking the Possibilities is a walk through the lives of ordinary women with extraordinary testimonies of how they were able to move forward to their Godly purpose by allowing themselves to be unmasked, one layer at a time. These women have been put through what she calls, Life s Shredder moving from weakness to strength and vulnerability to boldness. Their stories speak volumes and gives examples of how if you find your place under the shadow of the Almighty, that you will be able to reach your Promised Position in Him.
