Austin Macauley Publishers, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Inock Tehan is just like any other 13-year-old; he enjoys watching TV, spending time with his friends and he definitely does not like school! Inock is-shall we say-different in many ways, however. He lives in Kasama, a magic city inhabited by many enchanted creatures, and is a demon himself! His favourite TV show is Power Trials, and in school, he learns all about the ancient and famous witches and demons of his world. When Inock mischievously takes his dad s special Onis flute against his ghost friend Rozanthia s advice, a series of events unravel. Mabiyah the Oracle sends Inock on a special mission where he encounters phantoms, demons, a dragon and a very special person from another world. Blackwood Chronicles: Inock Tehan and the Phantom of the Ruins is an exciting story, full of surprises, that takes the reader on an exciting adventure into a completely new world.
