

Stahl's Illustrated Chronic Pain and Fibromyalgia (Paperback)

By Stephen M. Stahl

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2010. Paperback. Condition: New. Nancy Muntner (illustrator). Language: English . Brand New Book. As with Stahl's Essential Psychopharmacology and The Prescriber's Guide, Chronic Pain and Fibromyalgia is a full-colour title with a fun approach to theories. Stahl has been at the heart of many recent advances in the understanding of pain psychology, which has been reflected in the development of a new and wide variety of psychopharmacologic and non-psychopharmacologic pain medications. The visual learner will find that these books make psychopharmacology concepts easy to master, while the non-visual learner will enjoy a shortened text version of complex psychopharmacology concepts. Readers will find that the well-structured vocabulary combines with tables and algorithms to help build a vivid conception of current clinical strategies. The title is essential reading for pharmaceutical and mental health professionals, neurologists and pain management specialists. The Suggested Reading section at the end of the book is an invaluable tool for more in-depth learning on particular concepts.
