FINDING THE BIRTHDAY CAKE: HELPING CHILDREN RAISE THEIR SELF-ESTEEM (PAPERBACK)**DOWNLOAD**

New Horizon Press Publishers Inc., U.S., United States, 2007. Paperback. Condition: New. Elizabeth Wagele (illustrator). Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Based on the ancient Enneagram theory (ennea is Greek for nine; gram means drawing), this delightful book explores the nine styles of personalities and teaches children how to value differences, embrace diversity, and create a world of peace and acceptance. Walter, a most serious bird, has made a birthday cake for the most perfect party he is throwing for Ninosaur, his prehistoric pal. The only problem is: he seems to have lost it! With the celebration just hours away, Walter asks his many friends to help him, only to discover that everyone s methods are very different. Quick Timmy uses his optimism. Creative Franny longs to logically figure out the mystery. The adventurous 7 cows try anything, and Amy -- strong, tough and determined -- hopes to find it all on her own. Through their joint ministrations the cake is found in time and the party is a great success.
