Not illustrated. 1882 Excerpt: .elocution, but merely to aid the mind in attaining au exact apprehension of the nature and character of the elements of vocal sound, in certain relations. It is not meant that either the couplet from Pope s Homer, which is introduced in the following illustration, or the lines which follow it, must be read with the precise melody exhibited in the diagram, or that they cannot be appropriately read with any other. The design of this exemplification is merely to show the different forms of radical pitch, as they occur in the actual use of the voice, and to render the practice of them definite and exact. The repetition of the exercise will render the ear accurate and discriminating, and will preserve the student from inadvertently contracting the false intonation arising from the general neglect of this part of elocution, and from the impossibility of discussing...
