Brightstone Publishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There have been books before about the living planet Earth, who we are, why we are here, where we are going, 2012, Atlantis, angels, Reiki, crystals and ascension. This is the first book that ties them together into a coherent whole. It is written by six Archangels who have come to explain, inform and prepare the way for human and planetary ascension, one of whom is the Archangel of Darkness. This book guides you in specific steps you can take that will make a difference to your life, and the health and ascension of the planet; some are energetic, and some physical and practical. Planet Earth Today is written for those who wish to know more about the world they live in.
