

Parfums: A Catalogue of Remembered Smells (Paperback)

Filesize: 6.85 MB

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Tomas Flatley)

Quercus Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. From the sizzling sharpness of freshly cut garlic to the cool tang of a father s aftershave; the heady intoxication of a fumbled first kiss to the anodyne void of disinfectant and death, this is a decadently original olfactory memoir. In sixty-three elusive episodes we roam freely across the countryside of Lorraine, North-East France, from kitchen to farm to a lover s bed. Recognising the bittersweet nostalgia of a scent that slips away on the summer breeze, Claudel demonstrates again his impeccable grasp of the personal and the universal, interweaved with a rare, self-deprecating charm. This is an evocative patchwork at once earthy and ethereal, erotic and heart-breaking. Claudel permits us a glimpse of moments that have driven him to delight or despair, creating through the fading aromas of the past fragments of humour, insight and quite intangible beauty.
