

The Corporate Warriors Manual: Applying Military Principles to Conquer Business and Life! (Paperback)

By Damon S Lundqvist

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Claiming your piece of your target market can be an uphill battle between you and your competition. That is why many business men and women use military strategies to influence how they conduct business. There is an art to war. Before a military is dispatched on a mission, they have to determine what they want to accomplish by using military force. When you are running a business, you are conducting missions that all work to one common goal. You have to define the purpose of these missions as well as describe the necessary measures you have to take to make the mission be successful. Like the military, you will have to design the organization so that you are attacking the business world from all sides. For instance, the military has the Air Force for air strikes, the navy for sea battles and the army for foot soldiers. Your business may need a department for sales, a department for production, a department for customer service, a department for marketing, etc. ===== TABLE OF CONTENTS =====
