AN IMMIGRATION HISTORY OF BRITAIN: MULTICULTURAL RACISM SINCE 1800 (PAPERBACK)**DOWNLOAD**

Pearson Education Limited, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Â This timely and engaging book, written by a leading authority on the subject, is a must-read for anyone who wants to find out how British society has been transformed by immigration in the period since 1800.Â Professor John Solomos, author of *Race and Racism in Britain* Â This is a brave and wide-ranging book that will challenge the reader to think about the nature of British society.Â Professor Tony Kushner, University of Southampton Immigration, ethnicity, multiculturalism and racism have become part of daily discourse in Britain in recent decades Â yet, far from being new, these phenomena have characterised British life since the 19th century. Providing an important historical context to contemporary debates, and taking into account the complexity and variety of individual experiences over time, this book demonstrates that no simple approach or theory can summarise the migrant experience in Britain. Panikos Panayi is Professor of European History at De Montfort University and a leading authority on the history of immigration and ethnicity. His most recent book is the widely acclaimed *Spicing Up Britain*:...
