Protect Your Nest Egg and Retire in Comfort According to the actuaries, many of us will live into our late 90s and early 100s. That's a LONG retirement! In fact, many of us will be in retirement for more years than we worked. The big concern for many is the worrisome possibility of running out of money before running out of time. In Solving the Retirement Puzzle, Peter Wechsler and his son Jeremy, lead you through the potential minefields of both retirement and estate planning. Having focused exclusively on retiree issues for the past 10 years, Peter knows the importance of income and tax planning along with assessing your risk comfort level, after 11 years of a down or sideways market. As Your Retirement Quarterback, Peter explains how he helps folks navigate the many challenges involved in retirement planning. Using their Four Step Discovery Review Process, Peter takes you through the first three steps while Jeremy tackles the fourth step, Estate and Elder Planning. You've worked hard to build your nest egg. You saved, you scrimped and you were determined to retire comfortably. Now, you must strive to protect and preserve that nest egg while also leveraging it for your future and for the future of your kids and grandkids, nieces and nephews. Peter and Jeremy share with you valuable insights, tools and techniques that will help you sleep well at night while enjoying your retirement years. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
