BRAND NEW, The Paris Mapguide: The Essential Guide to La Vie Parisienne, Michael Middleditch, This is the award-winning, bestselling "The Paris Mapguide" by Michael Middleditch - the best streetmap on the market. The perfect travelling companion, this clever guide combines illustrated, easy-to-read maps with essential facts to help you get the most out of your trip to Paris. It's light, and slim enough to slip easily into a pocket or small bag, yet packs in a wealth of invaluable information including detailed listings of everything from museums and galleries to markets and gardens, recommendations on restaurants and night life. Several, more in-depth, articles cover major attractions including The Louvre and Notre Dame and feature useful floor plans. Metro and bus route maps will get you wherever you want to go, and there's even a currency converter to help you sort the antique investments from the flea market bargains. He created the Mapguides especially for Penguin, and there are four award-winning and highly successful titles in the series: "New York", "Paris", "London" and the "Map of the World".
