Ubisoft Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book. At the tip of the spear of the US Army's unconventional warfare response forces stands a group of highly specialized and incredibly skilled Special Forces soldiers: the Ghosts. INDIVIDUALLY, THEY ARE GREAT. TOGETHER, THEY ARE UNBEATABLE. When a group of renegade Venezuelan soldiers seize control of the nomad's land in the middle of the Amazonian Jungle, the Ghosts are tapped to get the US citizens being held hostage there out safely. Newly promoted to team lead, Nomad finds himself going in-country with two new squadmates, little preparation, dubious intel and no backup. Still, they have no choice but to go in half blind as time is running short for the captives. And when faced with a difficult choice deep in enemy territory, the Ghosts must learn to stand together as a team, or fail. Action-packed and intense from beginning to end, this novel sets the stage for the upcoming video game Tom Clancy's Ghost Recon Wildlands.
