## CORPORATE FINANCE (HARDBACK)

McGraw-Hill Education - Europe, United States, 2015. Hardback. Condition: New. 11th Revised edition. Language: English . Brand New Book. Corporate Finance, by Ross, Westerfield, Jaffe, and Jordan emphasizes the modern fundamentals of the theory of finance, while providing contemporary examples to make the theory come to life. The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions, rather than a collection of unrelated topics. They develop the central concepts of modern finance: arbitrage, net present value, efficient markets, agency theory, options, and the trade-off between risk and return, and use them to explain corporate finance with a balance of theory and application. The Eleventh Edition includes many exciting new research findings as well as an enhanced Connect Finance, now with even more student learning resources. Connect is proven to deliver better results for students and instructors. Proven content integrates seamlessly with enhanced digital tools to create a personalized learning experience that provides students with precisely what they need, when they need it. With Connect, the educational possibilities are limitless.
