Scared that another Pottyn, who looks like Gaytler, will start WWII? We don't know our future. You may be the very one who will change the way of great things, and for you this year will turn out to be the beginning of a new stage of life, not the end of one completed. Trivial people with trivial thoughts and great people with great thoughts are all around us! The manipulative actions of a so called Elite of This World, which use the physical bodies and weak consciousnesses of people to reach their worldly goals, are opposed by a few representatives chosen by destiny of what I call a New Energy of Life. Look carefully, think it over, feel it - and get down to changing this world! It's not that difficult! It's just necessary to start right now! The time has come! Your time has come!
