Reviews

It in a of the best ebook. It is one of the most incredible pdf i actually have go through. I am just easily will get a satisfaction of looking at a composed book.

(Elisha McCullough)

TRABAJO ASALARIADO Y CAPITAL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Comprender la teoria economica de Karl Marx, es leer sus trabajos economicos. Asi como los fervientes catolicos y cristianos hacen de oidos sordos a toda persona que desmienta con demostraciones y sin que haya leído la biblia, bajo el argumento de que si no han leído la biblia no pueden poner su religion a tela de juicio, así con esa testarudez tampoco se podría hablar y comprender completamente la teoria economica de Marx, y me refiero a sus magnos trabajos: El capital, cuyos tres voluminosos volumenes pueden llevarnos a tardarnos hasta meses en leerlos, si no es que años, tambien esta su cuarto volumen que salio a la luz bajo el nombre de Historia critica de las teorias de la plusvalia, en 3 volumenes tambien, que a su vez estas dos obras tienen trabajos introductorios, los cuales son Salario, precio y ganancia, Trabajo asalariado y capital (estos dos en folletos) y la Contribucion a la critica de la economia politica. Y claro, no podría faltar complementar todo el trabajo de El capital, con los Cuadernos de los Grundisse o tambien conocida como Elementos fundamentales para la critica de la economia politica. Y por tanto, sería una tarea colosal el resumir todo su trabajo economico, sin contar con el primer y practicamente unico inconveniente: de que esa no es mi intencion, ni una meta. Solo hablare del pequeno folleto de Trabajo asalariado y capital en este trabajo, con la intencion de hacerla mas asequible a la gente que este interesada.
