

## Spinoza and Time (Paperback)

By S Alexander

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the Afterword as Foreword.

.Professor Alexander has this afternoon placed his own distinctive interpretation on Spinoza s Ethics. He has followed out this line of thought in the remarkable Gifford Lectures which he

himself has recently published. Spinozism gets a fresh significance in the new atmosphere of Relativity, with which Einstein, yet another member of your community, has recently invested

mathematical physics and our conception of the universe which appears to confront us. The doctrine of the space-time continuum yields a new outlook for science and philosophy alike,

and Professor Alexander has seen this. I should not be candid if I did not say that for myself there seems to lie behind this conception a yet wider one, that of mind -- as I believe the

principle of Relativity leaves us free to interpret it -- as being foundational to all reality. But that does not make me the less appreciative of the very important contribution which our lecturer of

this afternoon has made, on this occasion as well as in his recent book, to our understanding of the meaning...
