Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.PREFACE THE appearance of this volume at the present moment is so apposite that any prefatory or explanatory remarks are really superfluous, all, the more so that the authoress is already known in this country by her excellent writings on Russia which have appeared in the course of the last few years. It has, however, been suggested that something may be usefully said as to some purposes which, amongst others, this book may serve. In the first place, it is something really new, being an exposition of Russian psychology illustrated by examples of the Russian language. The authoress has lived long enough in England to know what is both interesting and unintelligible to English readers, and has lived long enough out of Russia to be able to look at her country and countrymen objectively and to appreciate fully the value and beauty of her own language at the same time she is still able to write sufficiently subjectively to be inspiring, and sufficiently broad-mindedly to be convincing. In this way, with the aid...
