Wife, Interrupted

By Amy Molloy

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Wife, Interrupted, Amy Molloy, My story begins where most women hope theirs will end - with a big, white wedding. After all, isn't that how every good fairy tale finishes? I thought so. And at 23, in love and engaged, it seemed my 'happy ever after' was secure. That is until the man of my dreams died three weeks into our marriage. Look at me now: a 23 year old widow. You'd never guess. I've learnt to hide it well. Because the way I saw it, there were only two options. A) Dress in black, become a recluse and watch my wedding video on a loop? OR B) Decide falling in love again is out of the question and choose an easy, uncomplicated alternative - sex. Funny, powerful, and painfully honest, WIFE, INTERRUPTED examines the complicated process of grieving - and proves that sometimes the most unthinkable things can be the most comforting.

Reviews

The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
