

## Darker Teachings of the Immortals (Paperback)

Filesize: 2.99 MB

### **Reviews**

*This book is indeed gripping and interesting. It really is rally exciting throug studying period. Its been written in an extremely easy way and is particularly merely soon after i finished reading this book through which in fact changed me, affect the way i think.*  
*(Aisha Lemke)*

## DARKER TEACHINGS OF THE IMMORTALS (PAPERBACK)

Eye Scry, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Teachings of the Immortals took the metaphysical world by storm just a few short years ago, and now Mikal Nyght comes through on his promise to reveal the Darker Teachings of the Immortals. Darker Teachings of the Immortals brings the reader into intimate contact with secrets truths that have been suppressed for centuries by governments, religions corporations who seek to maintain a profitable status quo while simultaneously keeping the human population docile, obedient and - worst of all - mortal. Now, at last, it s time to throw off the chains and claim our rightful place among the immortals. From the Introduction, Mikal Nyght says. The observation has been made that life gets in the way, and while that s true, it s really something more specific that lies at the heart of our conundrum. Namely - life gets in the way of immortality. Ironic. While one is off doing all the things one does in the course of living, life is being drained out of you by the brute with the scythe, until you wake up one morning and realize you are old, wondering where your life went, what became of time, and why the reflection in the mirror bears no resemblance to the idea of yourself in your mind. So, yes, life gets in the way. It is not my belief that one should live as an isolated monk in a state of perpetual meditation and contemplation of one s crusty navel. Is that really living? On the other hand, I have lived in simpler times - before man walked on the moon, before the age of the internet, before X-Box and blue tooth and smart phones and all the other...
