EVERYTHING BAD IS GOOD FOR YOU: HOW POPULAR CULTURE IS MAKING US SMARTER (PAPERBACK)

[DOWNLOAD](#)

Penguin Books Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. We re constantly being told that popular culture is just mindless entertainment - but, as Steven Johnson shows in Everything Bad is Good for You, it s actually making us more intelligent. Steven Johnson puts forward a radical alternative to the endless complaints about reality TV, throwaway movies and violent video games. He shows that mass culture - The Simpsons, Desperate Housewives, The Apprentice, The Sopranos, Grand Theft Auto - is actually more sophisticated and challenging than ever before. When we focus on what our minds have to do to process its complex, multilayered messages, it becomes clear that it s not dumbing us down - but smartening us up. As witty as Seinfeld and as wise as ER New Statesman Wonderfully entertaining Malcolm Gladwell A vital, lucid exploration of the contemporary mediascape Time Out A guru for Generation Xbox Financial Times A must-read Mark Thompson, former Director-General of the BBC Steven Johnson is the bestselling author of Mind Wide Open, Where Good Ideas Come From, and Emergence: The Connected Lives Of Ants, Brains, Cities and Software, named as one of the best books of 2001 by Esquire, The Village Voice, , and Discover Magazine, and a finalist for the Helen Bernstein Award for Excellence in Journalism.
