By E M Maitland

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Log of H. M.A. R 34: Journey to America and Back Dear General Maitland, Many thanks for your letter. I shall look out for R 34 s log most keenly, and the more since, in my own mind, I always fancied the dirigible against the aeroplane for the overhead haulage of the years to come. It s curious to think that R 34 s work has been, relatively, no more than young James Watts brooding over the kettle on his mother s hob. Watt, I expect, didn t realize the steam-loco (indeed, I believe he objected to it), but you, and every one aboard R 34, must have felt that you stood at the opening verse of an opening chapter of endless possibilities, and - I know what my own interest and pride were in seeing a dream shape itself and come true! Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
