Reviews

Merely no phrases to describe. Better then never, though i am quite late in start reading this one. Its been written in an extremely easy way which is merely following i finished reading this publication through which in fact transformed me, change the way in my opinion.
(Pedro Renner)

READING CAPITAL

Verso Books. Paperback. Book Condition: new. BRAND NEW, Reading Capital, Louis Althusser, Etienne Balibar, Establishing a rigorous program of "symptomatic reading" that cuts through the silences and lacunae of "Capital" to reveal its philosophical core, Louis Althusser interprets Marx's structural analysis of production as a revolutionary "break"--the basis of a completely new science. Building on a series of Althusser's conceptual innovations that includes "overdetermination" and "social formation," Etienne Balibar explores the historical and structural facets of production as Marx understood them, scrutinizing many of the most fundamental points in "Capital," as though for the first time.
