Buchan s believable characters live in a world of bombsites, shortages and speculators that is deftly realised The TimesAs the Second World War draws to a close, Intelligence Officer Gus Clifton surprises his sisters at their London home. But an even greater shock is the woman he brings with him, Krista - the German wife whom he has married secretly in Berlin.Krista is clearly devastated by her experiences at the hands of the British and their allies - all but broken by horrors she cannot share. But Gus s sisters can only see the enemy their brother has brought under their roof.
