A Time for Success, Canada, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whether we are aware of it or not, each moment of our lives holds all that is needed for the complete unfolding of our Being. Still, there are those periods when the evidence of this unfolding seems to leap to our awareness, taking us completely by surprise, even causing us to stumble and fall as long-held ancient beliefs crumble beneath our feet. These moments force us to reach beyond the safety of failing familiar frontiers, leaving us open to awakening to what has been there all along. These are the moments shared by the author as she prepares to sell her beloved home and move to a condo. While connecting with guidance and exploring the possibility of her own awakening, she shares her encounters with the Love that has always been and will always remain the Source of our very Being.
