GRIN Verlag Feb 2013, 2013. Taschenbuch. Book Condition: Neu. 210x148x5 mm. This item is printed on demand - Print on Demand Neuware - Diploma Thesis from the year 2007 in the subject Business economics - Banking, Stock Exchanges, Insurance, Accounting, grade: 2,3, University of Regensburg, 41 entries in the bibliography, language: English, abstract: There are many consultancies, for example, Interbrand, Brand Finance or Batten, Barton, Durstine & Osborn (BBDO) that create annual lists of companies ranked by their brand value. Over the years, these popular rankings have become more and more relevant to companies because they are of the opinion that they can thereby increase their degree of popularity. Therefore, an interesting question arises: Is there any connection between the company's brand value and its financial performance? The list of the one hundred most valued brands published by Interbrand, probably the most famous global branding consultancy of the world, has made its contribution to the increased popularity of brand value, not only in the United States but meanwhile also in Europe. If you peruse the best global brands 2006 list attentively, you will observe that nearly half of the companies, exactly 49%, are non-US companies, compared to only 37%...
