*This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

Excerpt from The Spirit of the Serb For a short time it seemed as though the Austrians were about to carry all before them, and more than one Serbian statesman was hinting openly of impending disaster. And then at last the long-delayed ammunition began to arrive. Early in December there was a sudden and desperate rally, which took the invaders completely by surprise. Rudnik has given its name to the great battle which covered a front of fifty miles. First the Austrian right was driven back in utter confusion on Valjevo, and then pursued across the Drina and the Save, leaving thousands of prisoners and a rich booty in the hands of the Serbs; then the centre was forced to retire, and finally the defeat of the left wing rendered the hasty evacuation of Belgrade inevitable. By the middle of December not a single armed Austrian remained on Serbian soil. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
