VOTE 4 LOYALTY (PAPERBACK)

Kandice Green, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There s a thin line between whose down for you and who s plotting your downfall. Comforted by the streets, she craved nothing more than to encounter a genuine person who s capable of being trusted. A young mind so was full of imagination that it caused her to dream so big, that s all she thought it could ever be, just a dream. Her life spiraled down a road that allowed her to meet Ghost, falling for his charm the moment she gave him a chance. Once she took his last name, their short-lived thug matrimony was destroyed and it weighed heavily on Loyalty s heart. After losing everything, what stood before you was a mentally-ill, suicidal, alcoholic woman, whose soul had been tormented. As fate would have it, Kokaine finessed his presence into Loyalty s struggled mind and damaged heart. Opening up to him, she s introduced to a new level of the game she needed. He showed her to quit complaining, fix her crown and boss up. She went from being spoiled, to spoiled - rotten but this time she was on a mission to live without regret. She felt the need to be great. like she s a warrior or surviving legend. She learned that beauty was just an edge; it wasn t just being a girl with a pretty smile. It s the struggle and hardship that allows you to embrace being who you are, beautifully broken. She didn t exactly know where she was going but she was headed! She vouched for herself and applied pressure to her pain. Meet Loyalty.
