This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Brand New Book ***** Print on Demand *****.It is March 2002 and Gujarat has just seen the worst episode of bloodletting in independent India. But underneath the bluster he realizes that he's never done anything that has challenged the rationale of his safe existence. Treading unknown territory, he makes his way to Gujarat. In Ahmedabad, the largest city in Gujarat, he encounters a beleaguered human rights movement desperately trying to combat overwhelming odds in an environment of political virulence. He has no idea what he's supposed to be doing. Apparently, neither do they. His only option is to hit the ground running and ask questions later. As he bungles his way through the initial few steps, he discovers the Sabarmati - a river running through the city, ghettoizing it, acting as more than just a physical divide.
