Sarabande Books, 2002. Hardback. Condition: New. Language: English . Brand New Book. Bingham writes with an austere and unerring knowledge of what it is to be human and--transgressive. --Paula Fox These are marvelous stories of experience and have the ripeness of wry, hard-won wisdom. --Phillip Lopate Bingham has the eye to see where a story lives, the heart to understand it, and the voice--and craft--to tell it. --Robin Morgan In her wise and sexy new collection, Sallie Bingham examines modern-day transgressions in affairs of the heart. She offers up a menage a trois, an older woman s affair with a student, a painter who uses his age as an excuse to behave indecorously. But the reader quickly discovers the real transgressions are those of the self against the self.
