Friesenpress, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a festering town like Gloryhill, where the sewage overflows into the streets and the dirty, disease-ridden underworld claws its way to the surface, the existence of vampires is a thinly veiled secret. The most oozing, decomposed of them all, Pachuco, spends his nights hunting prey and pretty human girls to suck down below the surface. It s only when Charlotte, a beautiful, sensual vampire deputy, seeks his help in solving a mystery that he directs his attention to matters outside of blood, cigarettes, and female attentions. Charlotte, on the other hand, forty years after being bitten and transformed into the monster that she now sees herself as, is desperately trying to hold onto any shred of her humanity while relentlessly pursuing a killer who threatens the delicate place that vampires hold in a human-driven world. While the case is pulling her deeper into the belly of the rotting, putrid vampire world, she engages Pachuco to seek out her human former lover and fiance. In a world that values sex above love, blood above loyalty, and death above all, will Charlotte s dalliance with this devil bring her to the light . . . or just drag her further down into the darkness?.
