

## The Inside Guide to the iPad for Seniors: Covers up to the Pro iOS 9

Filesize: 8.12 MB

### **Reviews**

*This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).*  
*(Abe Reichel DDS)*

## THE INSIDE GUIDE TO THE IPAD FOR SENIORS: COVERS UP TO THE PRO IOS 9

IGT Publishing. Paperback. Condition: New. 218 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. The Inside Guide to the iPad for Seniors is intended specifically for the older generation who often struggle to get to grips with computer technology. They can also find the terminology used difficult to understand, if not downright baffling. The book takes the reader through all the stages necessary to gain a complete understanding of the iPad. We start with the physical side of the device the various switches and buttons, cameras, ports, the Home button, and the touchscreen. We then move on to the iOS operating system and explain what it is and how it works. This includes its main elements, what they do and how to use them. The programs, or apps, on the iPad are the next thing to be looked at. The device comes with a number of pre-installed apps and we explain what they all do. The reader will also learn how to download more apps from Apples App Store in order to increase the functionality of their iPad. Next, we detail all the main functions of the iPad and how to get the best out of them. These include email, the Internet, photography, video, reading, music and more. Security is an important issue these days and the book explains how to secure the iPad with Touch ID and passcodes, plus how to back up and restore data and settings. The final chapter shows how to fix common issues and how to keep the iPad running smoothly. Throughout, we use straightforward, easy-to-understand language in order to make things as clear as possible. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
