If you have a heart, if you have a soul, Karen Hicks *The Coming Woman* will make you fall in love with Victoria Woodhull. Kinky Friedman, author and Governor of the Heart of Texas What kind of confidence would it take for a woman to buck the old boys club of politics in 1872 More than 140 years pre-Hillary, there was Victoria Woodhull. It is a riveting account of an amazing woman and her struggle for justice and human dignity, told in an engaging and eminently readable style. Tim Wise, author, *White Like Me: Reflections on Race from a Privileged Son* *The Coming Woman* is a novel based on the life of feminist Victoria Woodhull, the first woman to run for U. S. President, 50 years before women could even vote! Running for President wasnt Victorias only first as a woman. She was also the first to own a successful Wall Street firm, the first to publish a successful...
