AFFLICTION: HEALTH, DISEASE, POVERTY (PAPERBACK)

Fordham University Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Affliction inaugurates a novel way of understanding the trajectories of health and disease in the context of poverty. Focusing on low-income neighborhoods in Delhi, it stitches together three different sets of issues. First, it examines the different trajectories of illness: What are the circumstances under which illness is absorbed within the normal and when does it exceed the normal-putting resources, relationships, and even one s...
