Xulon Press, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Global Positioning System (GPS) devices have revolutionized the way we travel, especially in the United States and the rest of the developed world. They are a big improvement from the days of using a paper map or MapQuest printout to find directions. This book, however, talks about a different and higher kind of GPS. It is called God s Positioning System. Just like your GPS device guides you and gives you directions when you drive or hike, God wants to guide you through your journey of life. It is not God s will for you to go through life mumbling and fumbling around. He has a great plan and purpose for you, and more importantly, he has provided a way for you to know and understand that plan and purpose. In this book you will learn how to locate and enter into God s plan for your life, how to appropriate his promises of guidance for your life, and how to remove every hindrance to your walking in his plan for you. Jide Lawore is a pastor, teacher, and author. He planted the RCCG Agape House of Worship, a diverse, growing, innovative, and community-focused church in Roselle, New Jersey. He has the grace of teaching and a genuine love for people that is evident in how he communicates the Word of God in a simple, practical, creative, and insightful manner. He is also the author of Extreme Makeover -The Secret of Genuine Transformation. He has a master s degree in engineering management and has worked as a project management professional in the engineering and construction industry. He lives in Colonia, New Jersey, with his wife, Abimbola, and they are blessed with three children.
