Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Brian Miller)

Penguin Putnam Inc, United States, 2013. Paperback. Book Condition: New. 170 x 106 mm. Language: English . Brand New Book. Instead of the deadly force it once was, magic is now a useless novelty. But not for Shame Flynn and Terric Conley, breakers who have the gift for reverting magic back to its full-throttle power. In the magic-dense city of Portland, Oregon, keeping a low profile means keeping their gifts quiet. After three years of dealing with disgruntled magic users, Shame and Terric have had enough of politics, petty magic, and, frankly, each other. It's time to call it quits. When the government discovers the breakers secret--and its potential as a weapon--Shame and Terric suddenly become wanted men, the only ones who can stop the deadly gift from landing in the wrong hands. If only a pair of those wrong hands didn't belong to a drop-dead-gorgeous assassin Shame is falling for as if it were the end of the world. And if he gets too close to her, it very well could be.
